- (b) The port director may require such additional documentation as is deemed necessary to prove actual exportation of the articles from the United States for repairs or alterations, such as a foreign customs entry, foreign customs invoice, foreign landing certificate, bill of lading, or an airway bill.
- (c) If the port director concerned is satisfied, because of the nature of the articles or production of other evidence, that the articles are imported under circumstances meeting the requirements of subheading 9802.00.40 or 9802.00.50, HTSUS, and related section and additional U.S. notes, he may waive submission of the declarations provided for in paragraph (a) of this section.
- (d) The port director shall require at the time of entry a deposit of estimated duties based upon the full cost or value of the repairs or alterations. The cost or value of the repairs or alterations outside the United States, which is to be set forth in the invoice and entry papers as the basis for the assessment of duty under subheading 9802.00.40 or 9802.00.50, HTSUS, shall be limited to the cost or value of the repairs or alterations actually performed abroad, which will include all domestic and foreign articles furnished for the repairs or alterations but shall not include any of the expenses incurred in this country whether by way of engineering costs, preparation of plans or specifications, furnishing of tools or equipment for doing the repairs or alterations abroad, or otherwise.

## § 10.8a Imported articles exported and reimported.

(a) In addition to regular entry procedures, supplementary documentation is required in connection with duty-free entries under subheading 9801.00.25, Harmonized Tariff Schedule of the

United States (19 U.S.C. 1202), of articles which were originally entered duty paid, removed from Customs custody, and subsequently exported, if:

- (1) The articles were exported within 3 years after the date of the previous importation.
- (2) The articles were not advanced in value or improved in condition by any process of manufacture or other means while abroad.
- (3) The articles did not conform to sample or specifications abroad.
- (4) The articles are reimported by or for the account of the person who imported them into and exported them from the United States.
- (b) The following supplementary documents shall be filed in connection with the entry of articles claimed to be free of duty under subheading 9801.00.25, Harmonized Tariff Schedule of the United States:
- (1) A declaration by the person abroad who received and is returning the merchandise to the United States, in substantially the following form:

## § 10.9 Articles exported for processing.

- (a) Except as otherwise provided for in this section, the following documents shall be filed in connection with the entry of articles which are returned after having been exported for further processing and which are claimed to be subject to duty only on the value of the processing performed abroad under subheading 9802.00.60, Harmonized Tariff Schedule of the United States (HTSUS):
- (1) A declaration by the person who performed the processing abroad, in substantially the following form:

I, , declare that the articles here-
in specified are the articles which, in the
condition in which they were exported from
the United States, were received by me (us)
on, 19, from
(name and address of owner
or exporter in the United States); that they
were received by me (us) for the sole purpose
of being processed; that only the processing
described below was effected by me (us); that
the full cost or (when no charge is made)
value of such processing and the value of the
articles after processing are correctly stated
below; and that no substitution whatever has
been made to replace any of the articles
originally received by me (us) from the
owner or exporter thereof mentioned above

(2) A declaration by the owner, importer, consignee, or agent having knowledge of the pertinent facts in substantially the following form:

· ·
I, , declare that the (above) (at-
tached) declaration by the person who per-
formed the processing abroad is true and
correct to the best of my knowledge and
belief; that the articles were manufactured
in the United States by
(name and address) or, if of foreign origin,
were subjected to (show
processes of manufacture, such as molding,
casting, machining) in the United States
